GUIDED MISSILE AND ASTRONAUTICS INTELLIGENCE COMMITTEE

6 January 1970

MEMORANDUM FOR: Director, National Photographic Interpretation Center

SUBJECT: Request for Support of WP-42 (Deployment)

1. A [] Guided Missiles Intelligence Working Party (WP-42, Deployment) will meet in Washington 20-24 April 1970. The Deployment Working Group of GMAIC under its new Chairman, [] will host the meeting.

2. This Committee has received valuable support from NPIC during the planning and conduct of past Working Party meetings. It is again requested that an individual be designated to provide similar support to WP-42.

3. The naming of someone at a fairly early date would be helpful so that he could work with the Deployment Working Group in the planning and preparations for this meeting.
